

Bogota Savings Bank

Community Reinvestment Act Mission Statement

Bogota Savings Bank is committed to serving the needs of the entire community, including low and moderate income individuals. This commitment will be fulfilled by maintaining consistent safe and sound operations, and following these guidelines;

First, we will seek to understand the credit needs of our market, including low and moderate income areas, consistent with safe and sound banking practices.

Second, we will strive to assure that our products and services are responsive to the needs of our community, including low and moderate income areas.

Third, we will strive to assure that creditworthy potential customers in our community, including low and moderate income individuals, are aware of the services we offer and our desire to meet their needs.

Fourth, we will work to assure that our own personnel understand and share the Bank's commitment to serve low and moderate income customers and that we are equipped with the knowledge, products, delivery systems, and motivation to do so effectively.
