You can also print the enrollment form accessible on our website and mail it to us at the address listed at the beginning of this Agreement. The Internet enrollment process involves completing a secure online application that we will use to verify your identity. You will also choose your Access ID and Passcode during the enrollment process.

When you enroll for the Service, you agree to provide true and accurate enrollment information. Our Operations Department will verify the information you submit for accuracy and proper authorizations. In about one week, you will receive a package in the mail with additional information regarding your account activation and our Service. You may begin using the Service only after receipt of this information in the mail.

Business Customers interested in the commercial features of the Service should contact us directly at [866-907-2029](tel:866-907-2029). Or you may send us a secure message through the Service.

10. Linked Accounts

When you first enroll for the Basic Internet Banking Service we will link all of your designated Eligible Accounts to one Access ID. If you want to limit the accounts linked or the privileges assigned to an account, please contact us at 866-907-2029] or send us a secure email message through the Service.

With the exception of sole proprietors, Business Customers may [or may NOT] link personal Consumer accounts to the Service.

If the Eligible Accounts added to the Service are jointly held or have multiple signers you agree that access to the information and all transactions initiated by the use of your Access ID and Passcode are authorized unless we have been notified to cancel the Service.

If joint account holders use individual Access IDs, the Service may be identified separately and you [may/will] be charged for the use of additional Access IDs. In some cases, if your account(s) require two signatures for withdrawal, we may only grant view privileges to your Eligible Accounts through the Service.

11. Signature Requirements

When any online transfer, ACH, or other Payment Instruction is initiated through the Internet Banking Service for your benefit, you agree that we may debit the designated Eligible Accounts without requiring your signature on the item and without any notice to you. Any authorized user must be authorized individually to make electronic transfers and online Bill Payments even though that person's authority to make transfers by other means may still require dual signatures.

Requirements for dual signatures on checks, if applicable, do NOT apply to Bill Payments or other transfers initiated through the Internet Banking Service. If your account(s) require two signatures for withdrawal, we may only grant view privileges to your Eligible Accounts through the Internet Banking Service

Authorized Users of Business Customers that may be assigned payment or transactional capabilities through the Internet Banking Service should be authorized by the Business Customer to make or approve electronic transfers, even though that person's authority to make transfers by other means may still require dual signatures.

If Authorized Users are not authorized persons on the signature card for each Linked Account, the Business Customer account owner(s) has the obligation to inform Institution of the new individual or individuals with such authority. Such notice must be given to Bogota Savings Bank by calling us at 866-907-2029.

You may also write us at:

Bogota Savings Bank
819 Teaneck Road
Teaneck, NJ 07666

12. Account Balances

Balances shown in your accounts may include deposits subject to verification by us. The balance reflected in the Service may differ from your records due to deposits in progress, checks outstanding, or other withdrawals, payments or charges. A transfer request may not result in immediate availability because of the time required to process the request. A transfer request must be made before the

Business Day Cut-off time to be effective the same Business Day.

The balances within the Service are updated periodically and the Service will display the most current "as of" date on the "accounts" summary page. There may be situations that cause a delay in an update of your balances. The Service will use the most current balance available at the time of a transaction to base our approval for account transfers.

13. Canceling or Changing Transfers

You cannot cancel a transfer after it has been entered into the system AND the information has been processed and/or transmitted to us through the Service; however, you can edit or change a transfer that is still "pending".

In order to cancel or change a pending transfer, use the following procedures:

1. Log in and make edits to the appropriate transaction.
2. Edits must be made 7:00 PM EST for transfers scheduled to be processed the same Business Day
3. You may edit a pre-scheduled (future dated/automatic) transfer anytime before 7:00 PM EST on the Business Day before the scheduled transfer date.
4. For transfers, you can change the transfer amount to \$0.00, or
5. If you accidentally transfer funds, you can schedule another transfer to move funds to back to the original account.

For assistance, you can send us a secure e-mail through the Service or call our Operations Department.

If you need assistance making edits to automatic/future dated transfers, you can send us a secure email through the Service, however we must receive your request three business days (3) or more before the transaction is scheduled for processing. If you call, we may also require you to put our request in writing and get it to us within 14 days after the call.

Separate agreements with Business Customers will detail the required time-frames for submitting and making changes to ACH transactions.

14. Transaction Limitations

You may use the Service to check the balance of your Eligible Account (s) and to transfer funds among your Eligible Accounts at this Financial Institution. You must have sufficient funds in your account to cover the amount of any online transfers and Bill Payments on the scheduled payment date set for the transaction, or the transaction may not be processed. NSF and/or overdraft charges may be incurred if Bill Payments exceed your account balance.

Current federal regulations restrict the number of transactions that you can make from certain types of accounts, such as Money Market and Savings Accounts. For these types of accounts, you may not make more than six (6) pre- authorized (automatic) electronic funds transfers (EFTs), during a given monthly statement period. Online account transfers and bill payments are counted toward the six permitted monthly transfers. Please refer to your original account agreement for excessive activity fees that may apply. Federal regulations currently place no limits on the number of transfers or Bill Payments from your Checking accounts, therefore this financial institution currently limits the Bill Payment Service to only Checking Accounts.

15. Bill Payment Terms and Conditions

(A) Bill Payment Scheduling

The earliest possible Scheduled Payment Date for each Biller (typically four (4) or fewer Business Days from the current date) will be designated within the Service when you are scheduling the Bill Payment. Therefore, the Service will not permit you to select a Scheduled Payment Date less than the earliest possible Scheduled Payment Date designated for each Biller.

When scheduling Bill Payments you must select a Scheduled Payment Date that is no later than the actual Due Date reflected on your Biller statement unless the Due Date falls on a non-Business Day. If the actual Due Date falls on a non-Business Day, you must select a Scheduled Payment Date that is at least one (1) Business Day before the actual Due Date. Scheduled Payment Dates must be prior to any late date or grace period.

(B) The Bill Payment Service Guarantee

Due to circumstances beyond the control of the Service, particularly delays in handling and posting payments by Billers or financial institutions, some transactions may take longer to be credited to your account. Except as expressly stated otherwise within this Agreement, this Financial Institution and/or its Service Providers will bear the responsibility for any late payment related charges up to \$50.00 should a Bill Payment post after its Due Date as long as the payment was scheduled in accordance with the guidelines described under "Bill Payment Scheduling" in this Agreement.

(C) Payment Authorization and Payment Remittance

By providing the Service with names and account information of Billers to whom you wish to direct payments, you authorize us to follow the Payment Instructions received through the Service. In order to process payments more efficiently and effectively, our Service Provider may edit or alter payment data or data formats in accordance with Biller directives.

When the Service receives a Payment Instruction, you authorize our Bill Payment Service Provider to debit your Payment Account and remit funds on your behalf so that the funds arrive as close as reasonably possible to the Scheduled Payment Date designated by you. You also authorize our Service Provider to credit your Payment Account for payments returned to the Service by the United States Postal Service or Biller, or payments remitted to you on behalf of another Authorized User of the Service.

(D) Payment Methods

Our Bill Payment Service Provider reserves the right to select the method in which to remit funds on your behalf to your Biller. These payment methods may include, but may not be limited to, an electronic payment, an electronic to check payment, or a Laser Draft Payment.

(E) Payment Cancellation Requests

You may cancel or edit any Scheduled Payment (if processing has not begun) by following the directions within the Service. There is no charge for canceling or editing a Scheduled Payment. However, once the Service has begun processing a Scheduled Payment it cannot be cancelled or edited, therefore a stop payment request must be submitted, as described within this Agreement.

(F) Bill Payment Stop Payment Requests

The ability of this Financial Institution and its Service Provider to process a stop payment on a Bill Payment request will depend on the payment method and whether or not a check or Laser Draft Payment has cleared. We may also not have a reasonable opportunity to act on any stop payment request after a payment has been processed. If you desire to stop any Bill Payment that has already been processed, you must contact our Operations department 1-866-907- 2029.

Although we will make every effort to accommodate your request, we will have no liability for failing to do so. We may also require you to present your stop payment request in writing within fourteen (14) days. The charge for each stop payment request will be the current charge for such service as set forth in our applicable fee schedule. Schedule of Fees for Bogota Savings Bank.

(G) Returned Payments

In using the Service, you understand that Billers and/or the United States Postal Service may return Bill Payments to our Service Provider for various reasons such as, but not limited to, Biller's forwarding address expired; Biller account number is not valid; Biller is unable to locate account; or Biller account is paid in full. Our Service Provider will use its best efforts to research and correct the returned payment and return it to your Biller, or void the payment and credit your Payment Account. You may receive notification from the Service of returned payments.

(H) Bill Payment Information Authorization

Requests for Bill Payment privileges may not be fulfilled if this Financial Institution and/or its Service Provider(s) cannot verify your identity and withdrawal authority over the specified accounts. Through your enrollment in the Bill Payment Service; you agree that this Financial Institution and its Service Providers reserve the right to request a review of your credit rating at our own expense through an authorized bureau. In addition, you agree that this Financial Institution and its Service Providers reserve the right to obtain financial information regarding your account from a Biller or your Financial Institution (for example, to resolve payment posting problems or for verification).

(I) Prohibited Payments

Payments to Billers outside of the United States or its territories are prohibited through the Service. Payments to Internet Gambling sites are also prohibited through the Service.

(J) Exception Payments

Tax payments and court ordered payments may be scheduled through the Service; however, such payments are discouraged and are scheduled at your own risk. In no event shall this Financial Institution or its Service Provider(s) be liable for any claims or damages resulting from your scheduling of these types of payments. The Bill Payment Service Guarantee as it applies to any late payment related charges is void when these types of payments are scheduled and/or processed by the Service. Research of exception payments shall be limited to proof of payment and/or unauthorized payments only. All other research and resolution for any misapplied, mis-posted or misdirected exception payments will be your sole responsibility.

(K) Biller Limitation

We reserve the right to refuse to pay any Biller to whom you may direct a payment. The Service will notify you promptly if it decides to refuse to pay a Biller designated by you. This notification is not required if you attempt to make a prohibited payment or an exception payment under this Agreement.

(L) Failed Transactions

In using the Service, you are requesting us to make payments for you from your Payment Account. If we are unable to complete the transaction for any reason associated with your Payment Account (for example, there are insufficient funds in your Payment Account to cover the transaction), the transaction will not be completed. In some instances, you will receive a return notice from the Service. In such case, you agree that:

1. You will reimburse our Service Provider immediately upon demand the transaction amount that has been returned;
2. For any amount not reimbursed to the Service Provider within fifteen (15) days of the initial notification, a late charge may be assessed each month against unpaid amounts equal to 1.5% or the legal maximum, whichever rate is lower;
3. You will reimburse our Service Provider for any fees, it may incur in attempting to collect the amount of the return from you; and
4. Our Service Provider is authorized to report the facts concerning the return to any credit-reporting agency.

16. Bill Delivery and Presentment

Our Service Provider may, at the request of the Biller, provide to the Biller your e-mail address, Service address, or other data specifically requested by the Biller at the time of activating the electronic bill for that Biller, for purposes of the Biller informing you about Service and/or bill information.

(B) Activation

Upon activation of the electronic bill feature, our Service Provider may notify the Biller of your request to receive electronic billing information. The presentment of your first electronic bill may vary from Biller to Biller and may take up to sixty (60) days, depending on the billing cycle of each Biller. Additionally, the ability to receive a paper copy of your statement(s) is at the sole discretion of the Biller. While your electronic bill feature is being activated it is your responsibility to keep your accounts current. Each electronic Biller reserves the right to accept or deny your request to receive electronic bills.

17. Privacy

We understand how important privacy is to our customers. We have taken steps to protect the privacy and security of your personal information as well as your financial transactions with us. You should read our [privacy notice](#) before completing the enrollment process for the Service.

(A) Disclosure of Account Information to Third Parties

It is our general policy to treat your account information as confidential. However, we will disclose information to third parties about your account or the transactions you make ONLY in the following situations:

- Where it is necessary for completing transactions;
- Where it is necessary for activating additional services;
- In order to verify the existence and condition of your account to a third party, such as a credit bureau or Biller;
- In order to comply with a governmental agency or court orders; or
- If you give us your written permission.

Please refer to our [privacy notice](#) for additional detail on disclosure of account information.

18. Internet Security

The Internet Banking Service utilizes a comprehensive security strategy to protect your accounts and transactions conducted over the Internet. Prior to activating your access to the Internet Banking Service, our Internet Banking Department will verify your identity and authorization against information associated with the Eligible Account (s) that you request to be linked to the Internet Banking Service.

Access IDs and Passcodes - One of the main security features protecting the Internet Banking Service is the unique combination of your Access ID and Passcode. During the enrollment process, you will be asked to select a unique Access ID and Passcode. For security purposes, do not use your account number or social security number as your Access ID. Encryption and access controls are used to protect your Passcode within our database. If you need to reset your Passcode, you may use our online automated Passcode reset feature or you may contact this Institution for assistance.

Because your Passcode is used to access your accounts, you should treat it as you would any other sensitive personal data.

- You should carefully select a Passcode that is difficult to guess.
- You should **not** use words based on your name, address or other personal information.
- Special characters may be used to increase security.
- Do **NOT** use dictionary words.
- Keep your Passcode safe.
- Memorize your Passcode and do **NOT** write it down.
- You should also change your Passcode occasionally, such as every 90 days.
- Passcodes should not be shared with anyone, even Authorized Users.
- The “Help” link within the Internet Banking Service will offer tips on choosing a secure Passcode that you can remember.

When you enroll for the Internet Banking Service you agree to change your Passcode immediately if you suspect that your Passcode has been compromised. This can be done at any time from the “User Services” menu after you log on to the Internet Banking Service.

NEITHER THIS INSTITUTION NOR ITS SERVICE PROVIDERS WILL CONTACT YOU BY TELEPHONE, EMAIL OR TEXT MESSAGING REQUESTING PERSONAL INFORMATION, SUCH AS YOUR ACCESS ID, PASSCODE, CREDIT CARD NUMBER, ATM CARD NUMBER OR ATM PIN. IF YOU ARE CONTACTED BY ANYONE REQUESTING THIS TYPE OF INFORMATION, DO NOT PROVIDE ANY INFORMATION AND CONTACT OUR INTERNET BANKING DEPARTMENT IMMEDIATELY.

Encryption – The Internet Banking Service uses the Secure Socket Layer (SSL) encryption technology for everything you do while using Internet banking. Your browser automatically activates this technology when it attempts to connect to our Internet Banking Service. The Internet Banking Service requires a browser that supports 128-bit encryption and we will warn you if your browser does not meet this requirement.

Whenever SSL is securing your communications, the browser will typically indicate this secure session by changing the appearance of a small icon of a padlock at the bottom of the screen from “open” to “locked”. What this means to you is that your communications are scrambled from your browser to our servers at all times so no unauthorized party can read the information as it is carried over the Internet.

Certificate Authority - The servers hosting the Internet Banking Service have been certified by a certificate authority to assure you that you are actually talking to the Internet Banking Service instead of someone pretending to be us. By clicking on the lock within the Internet Banking Service, you can view the certificate to ensure it's valid.

Cookies - During your use of the Internet Banking Service, our Internet banking Service Provider will pass an encrypted session cookie to your computer that enables us to process multiple transactions during the session without having to provide an Access ID and Passcode for each individual transaction. You must

accept this cookie to use the Internet Banking Service. The session cookie is stored on your computer's hard-drive, identifying your computer while you are logged on. The session cookie does not contain any personal information. When you log off, close your browser, or turn off your machine, the session cookie will be destroyed. A new cookie is used for each session; thus, no one can use the prior cookie to access your account. Our Service Provider also uses persistent or "permanent" cookies to identify this Institution and your computer as part of our enhanced security. The permanent cookies will remain on your computer's hard drive until you clear cookies with your browser. If you do not accept these cookies, you may not be able to use all the features of the Internet Banking Service.

Multi-Level Authentication - We use multi-level authentication (or enhanced security) to help prevent unauthorized access to your accounts. As part of our enhanced security solution we may ask you to select challenge questions which may be used to help verify your identity in the event unusual login or transaction activity is detected. We may also send you a One Time PIN (OTP) which can be used to help authenticate your login or transaction requests.

19. Your Security Obligations

YOU ARE SOLELY RESPONSIBLE FOR THE MAINTENANCE, INSTALLATIONS, AND OPERATION OF YOUR COMPUTER INCLUDING BUT NOT LIMITED TO THE USE OF UPDATED ANTI-VIRUS PROTECTION.

NEITHER THIS FINANCIAL INSTITUTION NOR ITS SERVICE PROVIDERS SHALL BE RESPONSIBLE FOR ANY DELAYS, ERRORS, DELETIONS, FAILURES, OR DISCLOSURE OF PERSONAL OR BUSINESS ACCOUNT INFORMATION THAT MAY OCCUR AS A RESULT OF ANY VIRUS, TROJAN, SHARED PASSWORD, OR MALFUNCTION OF YOUR COMPUTER OR SOFTWARE OR YOUR FAILURE TO ADEQUATELY MAINTAIN AND SECURE YOUR COMPUTER AND SOFTWARE.

- All Authorized Users should sign-off after every session. While online sessions will automatically end after a period of inactivity, logging off can help protect you in case you accidentally leave your computer unattended.
- Refrain from using public computers (e.g. computers in a library, Internet café or hotel business center) to access your online banking accounts. The security of public or shared computers cannot be assured.
- Always keep your computer's operating system and browser fully patched for critical security issues. We recommend use of the most current, fully patched, versions of Internet browsers for accessing the Internet Banking Service.
- Always keep your anti-virus and anti-spyware software current and routinely scan your computer, servers, and electronic media using reliable virus detection and anti-spyware products. Undetected or un-repaired viruses or malicious software (malware) may affect the performance of your computer, corrupt and destroy your programs, files, and even your hardware. Furthermore, undetected or un-repaired viruses or malware may affect the security of online accounts and the privacy of personal information stored on your computer. If your computer is compromised by some form of malware, virus, or Trojan, you could unintentionally transmit sensitive account information or personal data to another third party or transmit a virus to other computers.
- Always use a firewall product (hardware and/or software), especially if you have a broadband Internet connection such as DSL or cable modem.
- If you use a wireless Internet connection to access your online accounts, make sure that the wireless network is encrypted. Occasionally we may post important security notices on our website and/or send online banking users security related notices or reminders; it is your responsibility to read all security notices.

20. Protecting Your Passcode

When you or your Authorized Users accept the terms and conditions of this Agreement, you agree not to give or make available your Passcode or other means to access your account to any unauthorized individual(s). You are responsible for all transactions authorized or requested through the Internet Banking Service using a valid Access ID and Passcode, including those situations when your Access ID and Passcode are obtained due to compromise to your computer. If you permit other persons to use the Internet Banking Service with your Passcode, or other means to access your account, you are responsible for any transactions they authorize.

If you believe that your Passcode or other means to access your account has been lost or stolen or that someone may attempt to use the Internet Banking Service without your consent or has transferred money without your permission, you must notify us at once by calling 866-907-2029 during customer service hours. You can also contact us by sending a secure message through the Internet Banking Service.

IF YOU OR YOUR AUTHORIZED USERS DISCLOSE YOUR PASSCODE TO ANYONE, AND/OR IF YOU ALLOW SOMEONE TO USE YOUR PASSCODE TO ACCESS YOUR ACCOUNTS, YOU ARE AUTHORIZING THEM TO ACT ON YOUR BEHALF AND YOU WILL BE RESPONSIBLE FOR ANY USE OF THE INTERNET BANKING SERVICE BY THEM (E.G., SUCH AS WHEN YOU PROVIDE THIS INFORMATION TO A JOINT ACCOUNT HOLDER, AN EMPLOYEE, AN AGGREGATION SERVICE PROVIDER, OR WHEN YOUR PERSONAL COMPUTER IS COMPROMISED BY A KEY STROKE LOGGING VIRUS OR ANY OTHER TYPE OF MALWARE).

You agree that we may send notices and other communications, including Passcode change confirmations, to the current address shown in our records, whether or not that address includes a designation for delivery to the attention of any particular individual.

21. Our Liability for Failure to Complete Transactions

We will use commercially reasonable efforts to make all your transfers and Bill Payments properly. However, we shall incur no liability and any Bill Payment Service Guarantee shall be void if we are unable to complete any transactions initiated by you because of the existence of any one or more of the following circumstances:

1. If, through no fault of ours, your Eligible Account(s) and/or Payment Account does not contain sufficient funds to complete the transaction or the transaction would exceed the credit limit of your overdraft account (if applicable);
2. The Service and/or the payment processing center is not working properly and you know or have been advised by this Institution and/or its Service Providers about the malfunction before you execute the transaction;
3. You have not provided the Service with the correct Payment Account information, or the correct name, address, phone number, or account information for the Biller;
4. Your Eligible Account(s), including either your Payment Account or Billing Account, is closed;
5. If your computer, software, telecommunication lines were not working properly and this problem should have been apparent to you when you attempted the transfer or Bill Payment;
6. It can be shown that the Biller received the Bill Payment within the normal delivery timeframe and failed to process the payment through no fault of ours;
7. The payment or transaction request involves funds subject to hold, dispute, restriction, or legal process we believe prevents their withdrawal;
8. We have reason to believe that a payment or other transaction request may not be authorized by you or any third party whose authorization we believe is necessary; and/or
9. Circumstances beyond control of the Service, our Service Providers, and this Institution (such as, but not limited to, fire, flood, or interference from an outside force) prevent the

proper execution of the transaction and we have taken reasonable precautions to avoid those circumstances.

Provided none of the foregoing exceptions are applicable, if the Service causes an incorrect amount of funds to be removed from any of your Eligible Account(s), or Payment Account, or causes funds from your Payment Account to be directed to a Biller, which does not comply with your Payment Instructions, this Financial Institution and/or its Service Providers shall be responsible for returning the improperly transferred funds to your Payment Account, and for directing to the proper Biller any previously misdirected transactions, and, if applicable, for any late payment related charges.

22. Documentation and Verification of Payments and Transfers

If you do not tell us within two (2) Business Days after you learn of such loss or theft, and we can prove that we could have prevented the unauthorized use of your Passcode, Access ID or other means to access your account if you had told us, you could be liable for as much as \$500.00. If your monthly account statement contains transfers that you did not authorize, you must tell us at once. If you do not tell us within sixty (60) days after the statement was sent to you, you may lose any amount transferred without your authorization after the sixty (60) days if we can prove that we could have stopped someone from taking the money had you told us in time. If a good reason (such as a long trip or a hospital stay) prevented you from telling us, we may extend the period.

24. Provisions Applicable Only to Business Accounts

A. Protecting Your Account(s)

Dual control should be established to help regulate the actions of multiple Sub-Users.

For security and auditing purposes, each Sub-User should be assigned separate Access IDs and Passcodes. All cash management activity is tracked at the Focus Customer level and is viewable by both the Sub-User originator and Focus Customer in the online history. Internal transfers are tracked for each Access ID.

A Sub-User Administrator inherits the privileges assigned to the Focus Customer. Notwithstanding the foregoing, please note that a Sub-User Administrator has the ability to remove, change or otherwise alter the restrictions or limits placed upon their rights by the Focus Customer.

The Focus Customer or Sub-User Administrator will need to provide the Access ID and temporary Passcode to each new Sub-User. The temporary Passcode will be used to gain access to the Internet

Banking Service initially. After the Sub-User's initial log on, they will be prompted to set up their own unique Passcode, known only to them, for future use of the Internet Banking Service.

Business Customer understands that there may be a charge for multiple Sub-Users. You agree to pay all such charges and authorize us to deduct such charges from your business account and any additional charges that may be incurred by you. 4. Acceptable Use

You agree that you are independently responsible for complying with all applicable laws in all of your activities related to your use of the Service, regardless of the purpose of the use, and for all communications you send through the Service. We and our service providers have the right but not the obligation to monitor and remove communications content that we find in our sole discretion to be objectionable in any way. In addition, you are prohibited from using the Service for communications or activities that: violate any law, statute, ordinance or regulation; promote hate, violence, racial intolerance, or the financial exploitation of a crime; defame, abuse, harass or threaten others; include any language or images that are bigoted, hateful, racially offensive, vulgar, obscene, indecent or discourteous; infringe or violate any copyright, trademark, right of publicity or privacy or any other proprietary right under the laws of any jurisdiction; impose an unreasonable or disproportionately large load on our infrastructure; facilitate any viruses, Trojan horses, worms or other computer programming routines that may damage, detrimentally interfere with, surreptitiously intercept or expropriate any system, data or information; constitute use of any robot, spider, other automatic device, or manual process to monitor or copy the Service or the portion of the Site through which the Service is offered without any prior written permission; constitute use of any device, software or routine to bypass technology protecting the Site or Service, or interfere or attempt to interfere, with the Site or the Service; or may cause us or our Service Providers to lose any of the services from our internet service providers, payment processors, or other vendors. We encourage you to provide notice to us by the methods described in section 25 above of any violations of this section or the Terms of Use generally.

5. Payment Authorization and Payment Remittance

a. By providing us names and/or telephone numbers and/or email addresses and/or bank account information of Receivers to whom you wish to direct payments, you authorize us to follow the Payment Instructions that we receive through the Service.

b. When we receive a Payment Instruction from you, you authorize us to debit your sending Transaction Account and remit funds on your behalf. You also authorize us to credit your receiving Transaction Account for the receipt of payments, including but not limited to those payments returned to us from Receivers to whom you sent payments(s) or cancelled and returned to you because the processing of the payment transaction could not be completed. You acknowledge and agree that if your Payment Instructions identify an account by name and account number, the relevant financial institution may execute those Payment Instructions by reference to the account number only, even if such account number does not correspond to the account name. You further acknowledge and agree that financial institutions holding the account may choose to not investigate discrepancies between account names and account numbers.

c.. Once registered, you as a Receiver authorize us to credit your Transaction Account for payments remitted to you on behalf of a Sender without further approval from you. You agree that we will not be liable in any way for any payments that you may receive, regardless of whether you authorized the Sender to send them to you. If you do not register, then funds will not be transferred to you from the Sender's Transaction Account, and the payment transaction will be cancelled.

d. We will use reasonable efforts to make all your payments properly. However, we shall incur no liability if we are unable to complete any payments initiated by you because of the existence of any one or more of the following circumstances:

1. If, through no fault of ours, the Transaction Account does not contain sufficient funds to complete the transaction or the transaction would exceed the credit limit of your overdraft account.

2. The Service is not working properly and you know or have been advised by us about the malfunction before you execute the transaction;

3. The payment is refused as described in section 7 below.

4. You have not provided us with correct information, including but not limited to the correct Payment instructions or Transaction Account information, or the correct name and email address or phone number of the Receiver to whom you are sending a payment; and/or

5. Circumstances beyond our control (such as, but not limited to, fire, flood, network or system down time, issues with the financial institution, or interference from an outside force) prevent the proper execution of the transaction and we have taken reasonable precautions to avoid those circumstances.

e. It is the responsibility of the Sender and the Receiver to ensure the accuracy of any information that they enter into the Service (including but not limited to the Payment instructions and name, telephone number and/or email address that the Sender enters for the Receiver to whom you are sending the payment transaction), and for informing us as soon as possible if they become aware of that this information is inaccurate. Neither the Sender nor Receiver may use a P. O. Box as a postal address. We will make a reasonable effort to stop or recover a payment made to the wrong person or entity once informed, but we do not guarantee such stoppage or recovery and will bear no responsibility or liability for damages resulting from incorrect information entered by the Sender or Receiver.

6. Payment Methods and Amounts

We may, at our sole discretion, impose limits on the amount of money you can send or receive through our Service. We also reserve the right to select the method which to remit funds on your behalf, and the method to return funds to you in the event that your Transaction Account is closed or otherwise unavailable to us. These payment methods may include, but may not be limited to, an electronic payment or an electronic to check payment.

7. Payment Cancellation Requests, Stop Payments and Refused Payments

Sender may cancel the initiation of a payment transaction or stop a payment transaction at any time until the processing of the transaction into the Receiver's account has begun. Our ability to stop a payment transaction or recover funds associated with an unauthorized payment transaction will depend on the manner in which the payment transaction was initiated and whether the transaction to the Receiver's account has begun processing. We will make a reasonable effort to accommodate a stop payment request and to recover funds associated with an unauthorized transaction; we will have no liability for failing to do so. We may also require you to present your stop payment request or request to recover funds in writing within 14 (fourteen) days after contacting customer care. Payments not claimed by a Receiver will be automatically cancelled ten (10) days after the processing of the payment begins. When you initiate a transaction, the Receiver is not required to accept the transaction. You agree that you as the Sender will not hold us liable for any damages resulting from a Receiver's decision to accept or not accept a transaction initiated or attempted through the Service. We will, to the extent permitted by law, make reasonable attempts to return any unclaimed, refused, refunded, prohibited or denied payment

transaction to your eligible Transaction account or use other reasonable efforts to return such payment to you as permitted by law.

8. Mobile Phone Users

Your phone service provider is not the provider of the Service. Users of the Service may receive text messages relating to their payment and other notices. You will receive text messages related to your payment transactions from time to time. Data and messaging charges from your telecommunications provider may apply, and you are responsible for such charges. In the event your enrolled mobile or cellular device is lost or stolen, you agree to update your information and make the appropriate changes to disable the use of such devices. You understand that there are risks associated with using a mobile device, and that in the event of theft or loss, your confidential information could be compromised. If you have questions about mobile service, you may send a text message with the word "HELP" to this number: 767666. To stop receiving text messages on your mobile phone, text "STOP" to this number: 767666.

9. Taxes

It is your responsibility to determine what, if any, taxes apply to the payments you make or receive, and it is your responsibility to collect, report and remit the correct tax to the appropriate tax authority. We are not responsible for determining whether taxes apply to your transaction, or for collecting, reporting, remitting, any taxes arising from any transaction.

10. Service Fees and Additional Charges

Applicable fees will be disclosed in the user interface for or elsewhere within the Service. Any applicable fees will be charged regardless of whether the Service was used, except for fees that are specifically use-based. There may be a charge for additional transactions and other optional services. You agree to pay such charges and authorize us to deduct the calculated amount from your designated Transaction Account for these amounts and any additional charges that may be incurred by you. Any financial fee associated with your standard deposit accounts will continue to apply. You are responsible for any and all telephone access fees and/or Internet service fees that may be assessed by your telephone and/or Internet service provider.

11. Refused Payments

We reserve the right to refuse to pay any Receiver. We will notify the Sender promptly if we decide to refuse to pay a Receiver designated by the Sender. This notification is not required if you attempt to make a prohibited payment under this Agreement.

13. Links and Frames

Links to other sites may be provided on the portion of the Site through which the Service is offered for your convenience. By providing these links, we are not endorsing, sponsoring or recommending such sites or the materials disseminated by or services provided by them, and are not responsible for the materials, services or other situations at or related to or from any other site, and make no representations concerning the content of sites listed in any of the Service web pages. Consequently, we cannot be held responsible for the accuracy, relevancy, copyright compliance, legality or decency of material contained in sites listed in any search results or otherwise linked to the Site. For example, if you "click" on a banner advertisement or a search result, your "click" may take you off the Site. This may include links from advertisers, sponsors, and content partners that may use our logo(s) as part of a co-branding agreement. These other sites may send their own cookies to users, collect data, solicit personal information, or contain information that you may find inappropriate or offensive. In addition, advertisers on the Site may send cookies to users that we do not control. You may link to the home page of our Site. However, you may not link to other pages of our Site without our express written permission. You also may not "frame" material on our Site without our express written permission. We reserve the right to disable links from any third party sites to the Site.

14. Remedies for Breach

If we have reason to believe that you have engaged in any of the prohibited activities described in this Agreement or have otherwise breached your obligations under this Agreement, we may terminate, suspend or limit your access to or use of the Site or the Service; notify law enforcement, regulatory authorities, impacted third parties, and others as we deem appropriate; refuse to provide our services to you in the future; and/or take legal action against you. In addition, we, in our sole discretion, reserve the right to terminate this Agreement, access to the Site, and/or use of the Service for any reason and at any time.

15. Disputes

In the event of a dispute regarding the Service, you and we agree to resolve the dispute by looking to this Agreement. You agree that this Agreement is the complete and exclusive statement of the agreement between us and you, which supersedes any proposal or prior agreement, oral or written, and any other communications between us and you relating to the subject matter of this Agreement. If there is a conflict between the terms of this Agreement and something stated by an employee or contractor of ours (including but not limited to its customer care personnel), the terms of this Agreement will prevail.

16. Arbitration

For any claim (excluding claims for injunctive or other equitable relief) where the total amount of the award sought is less than \$10,000.00 USD, the party requesting relief may elect to resolve the dispute in a cost effective manner through binding non-appearance-based arbitration. If a party elects arbitration, that party will initiate such arbitration through Judicial Arbitration and Mediation Services ("JAMS"), the American Arbitration Association ("AAA"), or an established alternative dispute resolution (ADR) administrator mutually agreed upon by the parties. The parties agree that that the following rules shall apply: (a) the arbitration may be conducted telephonically, online and/or be solely based on written submissions, at the election of the party

initiating the arbitration; (b) the arbitration shall not involve any personal appearance by the parties or witnesses unless otherwise mutually agreed by the parties; (c) discovery shall not be permitted; (d) the matter shall be submitted for decision within ninety (90) days of initiation of arbitration, unless otherwise agreed by the parties, and the arbitrator must render a decision within thirty (30) days of submission; and (e) any award in such arbitration shall be final and binding upon the parties and the judgment there may be entered in any court of competent jurisdiction. The parties acknowledge that remedies available under federal, state and local laws remain available through arbitration.

17. Law and Forum of Disputes

This Agreement shall be governed by and construed in accordance with the laws of the State of Georgia, without regard to its conflicts of laws provisions. To the extent that the terms of this Agreement conflict with applicable state or federal law, such state or federal law shall replace such conflicting terms only to the extent required by law. Unless expressly stated otherwise, all other terms of this Agreement shall remain in full force and effect. You agree that any claim or dispute you may have against us (other than those which are arbitrated under section 35 above) must be resolved by a court located in Gwinnett County, Georgia. You agree to submit to the personal jurisdiction of such courts for the purpose of litigating all such claims or disputes. The United Nations Convention on Contracts for the International Sale of Goods shall not apply to this Agreement. Both parties agree to waive any right to have a jury participate in the resolution of any dispute or claim between the parties or any of their respective Affiliates arising under this Agreement.

18. Release

If you have a dispute with one or more other users of the Site or the Service, you release us and our Affiliates and Service Providers and the employees and contractors of each of these, from any and all claims, demands and damages (actual and consequential) of every kind and nature arising out of or in any way connected with such disputes. In addition, you waive California Civil Code §1542, which states that a general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if not known by him must have materially affected his settlement with the debtor.
